STUDIO PRODUCTION, BEAT LEASE AND MASTER OWNERSHIP AGREEMENT

THIS STUDIO PRODUCTION, BEAT LEASE AND MASTER OWNERSHIP AGREEMENT (the "Agreement") is entered into on this 17th day of November, 2026 (the "Effective Date"),

BETWEEN:

1. APEX BEATS PRODUCTIONS LIMITED (trading as "DJ KRONIK STUDIOS"), of Kilimani Mall, 3rd Floor, Ring Road, P.O. Box 19402-00100, Nairobi, Kenya (hereinafter referred to as the "Producer");

AND

2. JOHN DOE, an individual Kenyan recording artist and vocalist professionally known as "John Doe", of P.O. Box 45102-00100, Nairobi, Kenya (hereinafter referred to as the "Artist").

---

1. SCOPE OF STUDIO SERVICES AND DEFINITIONS

1.1 The Track. The Producer has composed an instrumental musical beat (Beat ID: #KRK-808-NRB) and provided studio tracking, vocal engineering, and audio mixing for the song tentatively titled "Cheza Kama Wewe" featuring the vocal performance and lyrics of the Artist (collectively, the "Master" and the underlying "Composition").

1.2 Discounted Beat Subsidy. The Artist acknowledges that the Producer's standard commercial buy-out fee for an exclusive master production is Kenya Shillings Three Hundred and Forty-Five Thousand (KES 345,000), and that by charging the Artist only the upfront Session Fee in Clause 2.1, the Producer has granted the Artist a recoupable Discounted Beat Subsidy of Kenya Shillings Three Hundred Thousand (KES 300,000).

---

2. UPFRONT STUDIO SESSION FEE AND REFERENCE DELIVERY

2.1 Non-Refundable Session Fee. Upon execution of this Agreement, the Artist shall pay to the Producer a non-refundable upfront Studio Session and Engineering Fee of Kenya Shillings Forty-Five Thousand (KES 45,000) via M-Pesa Paybill prior to the release of any audio file from the studio hard drive.

2.2 Delivery of Reference Mix. Subject explicitly to the restrictions and overrides in Clause 3 and Clause 6 below, upon receipt of the KES 45,000 Session Fee, the Producer shall deliver a two-track stereo WAV/MP3 reference mix of the Master to the Artist for the Artist's non-commercial personal listening and live club performance use in Kenya. All multi-track ProTools session files, raw vocal stems, and instrumental stems shall remain the sole physical and digital property of the Producer.

---

3. MASTER COPYRIGHT ASSIGNMENT AND REVERSE WORK-FOR-HIRE

3.1 100% Master Ownership Vested in Producer. In consideration of the Discounted Beat Subsidy and the Producer's sonic arrangement, the Artist hereby irrevocably acknowledges and agrees that the Producer is and shall be the sole and exclusive owner of one hundred percent (100%) of all right, title, and interest (including all copyright and sound recording producer rights under Sections 22 and 28 of the Copyright Act, Cap. 130, Laws of Kenya) in and to the Master Sound Recording of "Cheza Kama Wewe" ab initio and in perpetuity throughout the universe. To the extent the Artist's vocal performance on the Master creates any copyright or neighbouring right, the Artist hereby assigns the same to the Producer as a "Work Made for Hire" in perpetuity.

3.2 Non-Exclusive Underlying Beat (Right to Re-Sell Beat). Notwithstanding the Artist's vocal performance on the Master, the instrumental beat #KRK-808-NRB remains non-exclusive to the Artist. The Producer reserves the unrestricted right in perpetuity to lease, license, or sell the exact same instrumental beat to any other local or international recording artists, television commercials, or corporate brands without notice or compensation to the Artist.

3.3 Unilateral Remix and Vocal Replacement Rights. As sole owner of the Master, the Producer may at any time remix, alter, add featured guest artists to, or mute and replace the Artist's vocal tracks on "Cheza Kama Wewe" to create derivative or remix versions, and may commercially release such versions in the Producer's sole discretion without the Artist's approval.

---

4. PUBLISHING SPLIT AND CMO REGISTRATION (75% PRODUCER / 25% ARTIST)

4.1 Composition Copyright Split. Notwithstanding that the Artist wrote the vocal lyrics and top-line melody of the Composition, the copyright and publishing income (both Writer's Share and Publisher's Share) in the Composition "Cheza Kama Wewe" shall be owned and divided in perpetuity as follows:

- Seventy-Five Percent (75%) to the Producer (Apex Beats Productions Limited); and
- Twenty-Five Percent (25%) to the Artist (John Doe).

4.2 Exclusive Publishing Administration and MCSK/KAMP/PRISK Mandate. The Producer shall have the sole and exclusive worldwide right to register and administer one hundred percent (100%) of the Composition and Master with the Kenya Copyright Board (KECOBO), the Music Copyright Society of Kenya (MCSK), the Kenya Association of Music Producers (KAMP), and the Performers Rights Society of Kenya (PRISK), and to collect all broadcast, mechanical, and synchronization royalties directly.

---

5. MORAL RIGHTS WAIVER AND MANDATORY PRODUCER TAG

5.1 Mandatory Audio Tag. Every version of the Master must prominently retain the Producer's audible vocal producer tag ("Kronik on the Beat") at both the intro and outro of the song. Removal or attenuation of the producer tag by the Artist shall constitute an incurable material breach of this Agreement.

5.2 Waiver of Moral Rights. The Artist hereby irrevocably waives all Moral Rights under Section 32 of the Copyright Act (Cap. 130, Laws of Kenya) in respect of the Master and the Composition.

---

6. DIGITAL DISTRIBUTION, SKIZA MONOPOLY AND RECOUPMENT OVERRIDE

6.1 Exclusive Distribution by Producer. The Producer shall have the sole and exclusive right in perpetuity to upload, aggregate, and monetize the Master on all Digital Service Providers (including Spotify, Apple Music, Boomplay, Mdundo, Audiomack, YouTube Content ID, and TikTok) and all telecommunications Caller Ringback Tone portals (including Safaricom Skiza Tunes and Airtel Hello Tunes) under the Producer's aggregator account.

6.2 Prohibition on Artist Upload & Recoupment Override. Notwithstanding Clause 2.1, Clause 2.2, or anything to the contrary in this Agreement, the Artist is strictly prohibited from uploading the Master (or any music video containing the Master) to the Artist's own YouTube channel, DistroKid/TuneCore account, or Skiza portal. Furthermore, the Producer shall retain one hundred percent (100%) of all gross digital streaming, download, YouTube, synchronization, and Skiza Tunes revenues generated by the Master until the Producer has recouped the full Discounted Beat Subsidy of KES 300,000 plus a twenty-five percent (25%) distribution administration fee.

6.3 Post-Recoupment Net Royalty. If and only after the KES 300,000 Discounted Beat Subsidy has been recouped in full by the Producer, the Producer shall credit the Artist with a royalty equal to thirty percent (30%) of Net Receipts (after deducting aggregator fees, promotional costs, and taxes), payable annually at the Producer's convenience without any right of audit or inspection of the Producer's aggregator dashboards by the Artist.

---

7. TEN-YEAR RE-RECORDING PROHIBITION AND INDEMNITY

7.1 No Re-Recording of Lyrics or Melody. The Artist shall not for a period of ten (10) years from the Effective Date re-record, perform over a different beat, or release the lyrics or vocal melody of "Cheza Kama Wewe" with any other producer or studio.

7.2 Indemnity and Remedies. The Artist shall indemnify the Producer against all claims arising from the Artist's lyrics or breach of this Agreement. The Artist waives any right to seek injunctive relief against the release or licensing of the Master by the Producer. This Agreement is governed by the laws of Kenya.
